LOVE GOD....LOVE PEOPLE....REACH OUT

RESTING IN OUR CREATOR

We are called to rest in God. Where do you find rest? Where do you find enjoyment? What is refreshing and renewing for your soul and your body? How is it with your soul?

God doesn't just want us to work. God also wants us to delight. God wants us to celebrate the gifts all around us. God's commandment to Moses and the Israelites about Sabbath rest is important – after all, it's one of the Ten Commandments! We don't know better than God. We are human beings, not human doings. Without good rest our bodies and minds don't work right. When we don't have peace in our soul we are more likely to make bad decisions.

Therefore, we're taking a Sabbath rest at Peralta Memorial UMC this July. Most of our church committee meetings will not take place. It's time for a break, for a rest, to take time in God's creation. I hope that in the month of July each of us will take some time to find renewal – to go and do those things that make our heart sing and our body thrive and to spend time with friends and family.

Then after this July, I will continue to work on the themes of healing, wholeness, rest, and well-being. I will begin studying ways for us to reduce the time commitment of our evening meetings at Peralta Memorial UMC, and I will invite the Administrative Council to study some models with me. We will read a book or two together and visit with other United Methodist churches in New Mexico that have successfully reduced their meeting schedules while maintaining accountability to the church members and to Jesus Christ. We will study the "One Board Model" among other ways of creating simplified accountable leadership.

I believe God is moving us in this direction. In the work of Huddles and discipleship, the emphasis on right living and mission work is clear, and the teachings of the Huddle emphasize the need for less busyness and more discipleship that matters, including living out the Sabbath commandment. At Annual Conference workshops this year our presenters repeatedly called us to move to a simplified yet accountable church leadership structure. If you are called to serve in church leadership (and we always need people to serve who have leadership and administrative gifts), don't worry. There will always be a place for you and we will gladly help you use your gifts and talents in this area!

Peralta Memorial UMC is one of the best-run, most accountable churches I have ever known. I am so grateful for those who currently serve in leadership and those who have come before. I look forward to working with you, taking our time, sharing heart-to-heart conversations, and seeking God's will as we prepare the church for ministry in our community for years to come: Love God, Love Others, Reach Out.
