## FOOTPRINTS OF CHRIST

The footprints of Jesus Christ are showing up all over Valencia County. Do you see them? Sometimes they are delivered by a kind word. Sometimes they come in the form of food or clothing to those who need them. Sometimes they happen when a child learns about God and starts to understand that he or she matters to God and to others. Sometimes Christ's footprints appear when people realize they are not alone in their joys and struggles.

Many of the footprints of Christ in our county are formed by the work of the people of churches, and Peralta Memorial United Methodist Church does amazing work helping to make lots of footprints. When I am out and about in the grocery stores or in local restaurants I often meet people I know through the church. However, more and more, I am meeting people who know the work of the church, even though I don't know them so well personally. I meet people whose children have attended VBS at Peralta Memorial UMC. I meet people who have received a food box from the food pantry. I meet people who have received clothes from the Free Store. I also meet families who are involved with the PaCT ministry for families with young children as well as our LOGOS weeknight ministry. The footprints of Jesus Christ through Peralta Memorial UMC in Valencia County are increasing. This year the footprints have grown by a great leap through children's ministries and community outreach in several areas.

I celebrate the privilege we have of helping to make these footprints of Jesus Christ. Truly, Valencia County is a much better place because of the footprints of Jesus Christ in our valley, left by our church and many other churches, too. I celebrate and I pray. I rejoice and give thanks to God.

After much celebration, I have to ask what kind of footprints Jesus has left on my heart and in my life lately? Am I taking time to pray enough? Am I worshipping Jesus fully? Am I worshipping often enough? Am I ready to go deeper in life with Jesus Christ, and where are His footprints leading me? I invite you to ask the same question – are you engaging with Jesus enough to go where Jesus wants to lead you? Are Jesus's footprints inside your heart and soul, too?

This spring and summer may we take time to find the footprints of Jesus Christ in our lives. May we find refreshment, challenge, correction, and direction. May we refocus our attention, both individually and as a church, upon God. May we seek, listen, pray, and follow, so that we may continue to make even more footprints of Jesus Christ in Valencia County.

Crafty Ladies will meet on  
May 3<sup>rd</sup> and 4<sup>th</sup>  
from 9:00 am until about 2:00 pm  
in Fellowship Hall

Come to craft and fellowship with us, and even stay for lunch!!!

You do not need to be "crafty" in order to fit in. There are lots of support jobs; there truly is something for everyone to contribute! If you can't come to meetings, maybe you can donate items, like so many generous people already do.

**We are again in need of dainty cups and saucers,  
pretty plates-with floral & etc. designs,  
buttons, especially white buttons,  
& gallon size cans**

Please bring donations to us on our meeting days and thank you so very much!

For more information call Lois Meadors at 865-6791, Kelley Green at 865-6975 or the church office.

**Families Looking Out for Christ's Kids (FLOCK) is sponsoring a car wash May 7<sup>th</sup> at the Valvoline Lube center across from Lowe's. We will be there from 9 am to 1 pm. The proceeds will assist youth campers with summer camp costs.**

Although this is written as a note to a parent, I am sharing it because I believe it is a note to each of us. After all, we are not called to go to church---we are called to be the church.

Blessings to each of you--every day--as you lift up requests and praises in your prayers.

Ruth

From: *Pintrest, 'The Organised Housewife'...*

Please be in prayer for each of these on our continuing prayer list. If you know of anyone else who needs to be added, please call Ruth at 869-4842 or the church office, 865-9334.

## **SUMMER TUTORING**

## Free Tutoring this Summer

Does your elementary school child need a little extra help with reading or math?

If there is enough interest, we are hoping to offer tutoring by qualified professional teachers this summer. This would be for one hour on Friday mornings for six weeks beginning June 3, and breaking only for

Vacation Bible School and the 4th of July weekend.

The plans are to provide 3 one-hour individualized, hopefully one-on-one, sessions each morning. This tutoring will be available to anyone in the community, so teachers and parents, everyone **spread the word! Pre-registration is almost essential so instructors can gather material and make individual plans.**

*If you are interested, call Mrs. Chris Knox at 865-7864 to reserve a place for your child.* Also, plan to give her as much information about your child's needs as possible before June 3. Information from the child's classroom teacher and test results will be very helpful. Mrs. Knox will want to meet with a parent before the first session to gather this information. Meeting arrangements will be made on an individual basis. Please call as soon as possible to take advantage of this opportunity!

We are still looking for tutors and helpers. If you are interested, please contact Chris Knox at 865-7864 today so final plans can be made.

Mary Circle/UMW meets on the second Tuesday of the month; **in May that will be Tuesday, the 10th, at 9:30 AM in Fellowship Hall.** Mary Circle meetings are a wonderful place for fellowship and sharing! There is also lots of time for prayer including LOGOS, children's and family ministries as the mission of Jesus Christ in Peralta now, world-wide missions and our local concerns! If you like to visit and pray or need prayer, come to be with us!

For this meeting, Betty Almquist will serve as our hostess. We will have a report from those who attended the Albuquerque District Annual meeting and Chris Knox will lead us in a program entitled "Mother's Day Giving." We also need to finalize plans for our bake sale on May 15th.

Ladies, we are growing in membership, so why don't you joins us, too? There are many opportunities for spiritual growth through UMW. **July 15-18 is Mission U, another great retreat at Sacramento.** There is one scholarship available to each district and they are often not used. If you are interested, please let me know, so we can get an application in early. You do not have to be a member of Mary Circle to be eligible! I don't have a lot of information about this year's program as yet, but I do know they are always more than worthwhile! For more information, contact Chris Knox at 865-7864 or the church office.

## I Will Sing of My Redeemer-1874

***“For you were bought at a price; therefore glorify God in your body and in your spirit, which are God’s”*** I Corinthians 6:20

As a 10 year old boy, when Philip Paul Bliss heard the sounds of a piano for the first time, his imagination was deeply stirred. Later, riding his horse Old Fanny, he became a traveling musician. In 1870, he joined the staff of a Chicago church as music director and Sunday school superintendent. IN March 1874, he became the song leader and children’s director for the evangelistic campaigns of Major Daniel W. Whittle. All the while, Philip was penning some of America’s favorite gospel songs.

By the end of 1876, Philip needed a break. He had just written the music to “It Is Well with My Soul” and finished a whirlwind tour of meetings with Major Whittle. While he and his wife, Lucy, were spending the Christmas holidays with his family in Pennsylvania, a telegram arrived requesting they come to Chicago to sing at Moody’s Tabernacle on the last Sunday of the year.

On December 29, 1876, leaving their 2 small children with Philip’s mother, they boarded the *Pacific Express*. The snow was blinding, and the eleven-coach train was running about 3 hours late. About eight o’clock that night as the train creaked over a chasm near Ashtabula, Ohio, the trestle bridge collapsed. The engine reached solid ground on the other side of the bridge, but the other cars plunged 75 feet into the ravine.

Philip survived the crash and crawled out through a window, but within moments, fire broke out, and Lucy was still inside, pinned under the twisted metal of the iron seats. The other survivors urged Philip not to crawl back into the flaming wreckage. “If I cannot save her, I will perish with her, “ he shouted, plunging into the fiery car. Both Philip and Lucy died. He was 38.

Philip’s trunk finally arrived in Chicago safely. In it were found the words to the last hymns he had written, one of which was:

*I will sing of my Redeemer,  
And His wondrous love to me;  
On the cruel cross He suffered,  
From the curse to set me free.  
Sing, oh, sing, of my Redeemer,  
With His blood, He purchased me.  
On the cross, He sealed my pardon,  
Paid the debt, and made me free.*

(Story taken from Then Sings My Soul, by Robert J. Morgan.)

# LOGOS NEWS

What a beautiful LOGOS year it has been!!!

The blessings and movement from our Lord was amazing and so evident in all the children and adults who came each week to experience the love of Christian relationships that were built this year.

Our last day for LOGOS was Tuesday April 26<sup>th</sup>. We had a special presentation that the kids had been working on for our last night of LOGOS, followed by a special family time meal and some FUN!!!

We are also planning another LOGOS Sunday at church on May 15, 2016 where some of the children and adults will be giving testimonies as to what LOGOS meant to them this year at each service (8:30 and 11:00). We will also have a power point presentation so all can see what was happening at LOGOS this year.

This summer, Julieanne and Robyn will begin planning for next year's LOGOS which will begin in September and we ask that you be prayerful about LOGOS. **Is the Lord nudging you to come and be part of this ministry?** There are so many places where we need assistance and there is no position that is too difficult.

## **BIBLE STUDY:**

Sometimes folks shy away from wanting to lead or assist in Bible Study because "they just don't know the Bible that well", or they just don't feel confident in that arena, but the curriculum we have for LOGOS is very simple and easy to prepare for and does not require anyone to "know" the Bible in order to lead or assist. We are really in need of Bible Study Assistants so please pray about that.

## **WORSHIP SKILLS:**

Worship Skills is also an area where we need assistants. In Worship Skills the kids learn about the elements of worship and spend time discovering what their gifts are by preparing presentations for Worship. It is a lot of fun.

## **RECREATION:**

Recreation is just plain fun. Recreation is spent playing games that are non-competitive and the kids learn how to create things with their hands. If you like to have fun and laugh then Recreation is the place for you. Maybe you can't commit each week but you have a special talent that you would like to share with the kids; you can schedule a time to come to LOGOS and teach the kids something new. This year they learned word working, how to make cards, how to make puppets and they even learned first aid.

## **FAMILY TIME:**

If you love to eat and talk, then Family Time might be your place in LOGOS. Each table has 2 Table Parents that share a meal together with the kids. This is where we really get to know the kids and where they seem to really open up. We teach them manners, they learn how to serve one another, they play table games together and it's just a time for great food, discussion and building relationships with the kids.

## **DIRECTOR:**

This next year, Julieanne and Robyn will be mentoring two individuals to take over as Directors in the Fall of 2017. The term of service for the Director of LOGOS is two years but we do not want anyone desiring to lead the Program to come in cold and not have a solid foundation. So those two individuals will shadow Julieanne and Robyn in many of the functions of LOGOS. This will not require you to be there every week but will include attending some meetings and coming to LOGOS periodically to see how it works, as well as being included in the communications that take place. Please pray about this position as well. It really takes two folks to lead LOGOS so that the work involved can be shared.

God most definitely has a plan for each of us and calls us to minister for him as followers of Jesus Christ. We would love to talk to you about where you might be called to serve in this ministry so give us a call anytime and we will pray with you and talk with you about how and where you might be able to serve.
