Going Beyond Our Walls to Build God's Kingdom

As July begins, I want to thank the church for your faithful giving throughout the difficult times of the pandemic. It is your faithfulness in supporting our church with your prayers, service, presence, and financial support that enabled Peralta Memorial UMC to continue to bless our community with our ministries. With that said, I want to encourage you to continue in your faithful support of the ministries of the church. At the present time, we are \$13,000 behind on offerings versus expenses this year. Historically, giving usually lags during the summer. Therefore, I encourage you to continue to be diligent in your support of the church.

I also want to remind you of two opportunities to give above and beyond your regular tithe. First, the Administrative Council has approved a project to upgrade our video and sound system. The cost of this will be approximately \$35,000. We have \$14,000 on hand already. I believe this project is essential to continue the mission to make disciples for Jesus Christ in this technological age. Another opportunity to support the church and its future mission is to continue to contribute to the Building Maintenance/Facilities special. This fund was established after the mortgage was paid off, to help pay for future needs of the church without having to borrow funds.

Again, I just want to thank you for your faithful support of Peralta Memorial UMC and our ministries.

In Christ's Love,
Pastor Daniel

Message from Administrative Council

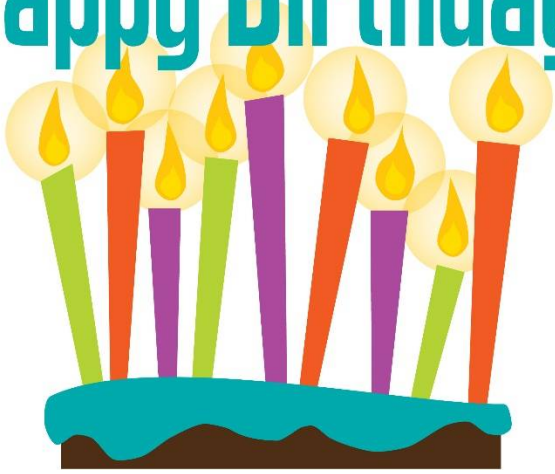

I would like to announce that after prayerful consideration and with faith and confidence in the future of this congregation and the mission given to us by God to lead others into a relationship with Jesus Christ, the Administrative Council has voted unanimously to upgrade our audio/visual system. It is a professionally designed, integrated system that will be installed by professionals with oversight, accountability and training on its proper use.

This is a big, but necessary step that will most likely cause the finance committee to squirm! We have been here before! Over the years we have had many infrastructure improvements that invariably had a similar beginning. Sometimes our faith is tested and we have doubts, but we continue to persevere! Praise be to God!

I ask that if you are in a financial position to give over and beyond your regular giving, this would be a good time to do so and would be greatly appreciated.

Your Brother in Christ, Bill Killough
Chairman, Administrative Council

Happy Birthday!
